

SEMAFOR 1

Ponavljjanje - razlomci

Zadatke izračunaj napamet. Za svaki zadatak označi sa **x** odgovarajuće svijetlo na semaforu. Zeleno svijetlo označi ako zadatak znaš bez problema riješiti i siguran/sigurna si da je rješenje točno. Žuto svijetlo označi ako znaš riješiti zadatak ili više od pola zadatka ali nisi siguran/sigurna sa je to točno. Crveno svijetlo označi ako ne znaš riješiti zadatak ili ne razumiješ zadatak.

1. Razlomcima označavamo dio nečega, dio neke cjeline.

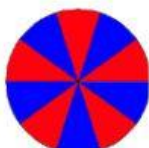

Kako zapisujemo razlomke?

2. Krugovi su podijeljeni na različite dijelove. Spoji svaki krug s odgovarajućim pojmom.

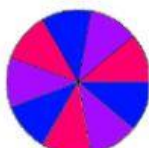

desetine

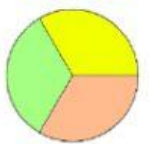

četvrtine

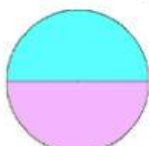

sedmine

polovine

devetine

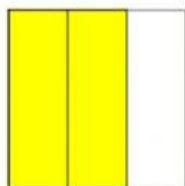

šestine

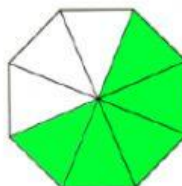

trećine

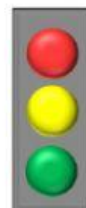

3. Obojanom dijelu geometrijskog lika pridruži odgovarajući razlomak.
