3 - Read the lyrics and fill in the gaps with words from the previous activity.

I can see clearly now the
..... is gone

Here is that I've been
praying for

I can see all obstacles in my way

It's gonna be a bright sunshiny day

Gone are the dark that
had me blind

Look all around, there's nothing but blue
skies

It's gonna be a bright sunshiny day

Look straight,
there's nothing but blue skies

I think I can make it now the
..... is gone

(repeat 1st verse)

All of the bad have
disappeared
