- What do Raúl and his friends do?

Mr Gómez: I live in a flat by myself. I love my community. Every morning I go to the bakery and say hello to everyone. My neighbours are all very friendly. After that, I go and do some work in our community garden.

Parra Family, mother: We live in a house. I think it's very important to help in the community.

Little Girl: Yes! We recycle!

Little Boy: And we teach others how to recycle.

Father: That's right!

Jennifer: Michael and I live in an apartment. We have a dog and we always clean after it when we go for a walk in the park!

Michael: We're also in a group that does sports in the park. Anyone can take part and we're always looking for new people!

Raúl: My name's Raúl. My friends and I love our community, too! We help to clean the park. We also help Mr Gómez to carry his groceries.
