won't you didn't you hasn't it don't you do you isn't it

*I need a little time, to think it over, I need a little space. Just on my own I need a little time to find my freedom, I need a little funny how quick the milk turns sour -----?
-----?*

*Your face has been looking like that for hours, -----?
-----? Promises, promises turn to dust, wedding bells just turn to rust,
trust into mistrust, I need a little room to find myself, I need a little space to work it out, I need a little room all alone I need a little, you need a little room for your big head
-----? -----?*

You need a little space for a thousand beds. -----? -----?

*Lips that promise fear the worst, tongue so sharp the bubble burst, just into unjust I've had a little time to find the truth. Now I've had a little room to check what's wrong, I've had a little time And I still love you. I've had a little, you had a little time and you had a little fun, -----?
-----? While you had yours, do you think I had none, -----?
-----? The Freedom that you wanted bad, is yours for good, I hope you're glad, sad into unsad. I had a little time to think it over, had a little room to work it out, I found a little courage to call it off! I've had a little time, I've had a little time, I've had a little time...*
