Let's get down to business, to defeat the Huns
Did they send me daughters, when I asked for _____?
You're the _____ bunch I ever met
But you can bet before we're through
Mister, I'll make a man out of _____

Tranquil as a _____ but on fire within
Once you find your center, you are sure to _____
You're a spineless, pale, pathetic lot
And you haven't got a clue
Somehow I'll make a man out of you

I'm _____ gonna catch my breath
Say goodbye to those who knew me
Boy, was I a fool in _____ for cutting gym
This guy's got them scared to death
Hope he doesn't see right through me
Now I really wish that I knew how to _____

Be a man
We must be swift as the coursing _____
Be a man
With all the force of a great typhoon
Be a man
With all the strength of a raging fire
Mysterious as the dark side of the _____

Time is racing toward us till the Huns arrive
Heed my every order and you might survive
You're unsuited for the rage of war
So pack up, go home, you're through
How could I make a man out of you?

CHORUS
