Fill in the blanks with the words.

lions	lunch	trip	tunnel

Molly's class was going on a 1) _____. They would ride a bus to the New York Public Library. They would see something special there. Molly wanted her bear to see it, too. She put her bear in her backpack. At school, Sam asked Molly what was in her backpack. She didn't want to tell him. She thought he would laugh at her. After 2) _____, the students lined up and got on the bus. The bus drove through a dark 3) _____. It stopped in front of the library. The students walked up the steps. They passed two big 4) _____. Molly and Sam ran to a display in the Children's Center. They opened their backpacks. They took out their bears. They showed their bears the real Winnie-the-Pooh!
