India: crazy about cricket

Cricket is the most popular sport in India and many teenagers are crazy about it. Schools often have their own cricket team and competitions take place all year round. In cricket, there are two teams of eleven players and a match can last from one day to four or five days. Many teenagers dream of becoming a professional cricketer and playing for their country.

National Pastimes

USA: baseball nation

In the USA, many children learn baseball from a very young age. Schools often have their own baseball team and they play against one another in championships. In baseball, there are two teams of nine players and they play on a diamond-shaped field. Many American kids have their own favourite baseball hero and love wearing their favourite team colours.
