

Today we have a cool song!

Complete with: happiness love night time

I don't want this ____ to end
It's closing ____, so leave with me again
You got all my ____ to spend, oh
Let's find a place where ____ begins

Choose the correct option:

We gon' dance in my dining room/living room, slave to the way you move
Hurts when I'm leaving me/you
Just dance in the living room, love with an attitude
Drunk to an 60s/80s groove
We gon' dance in my living room, slave to the way you move
Hurts when I'm leaving you
Dance in the living room, love with an attitude
Drunk

Listen and put in order:

So stop pretending you're shy, just come on and()
It's only human, you know that it's real()
Dance, dance, dance, dance,()
So why would you fight or try to deny the way that you feel?()
Oh, babe, you can't fool me, your body's got other plans ()

Drag one word in each space: leaving getting praying

Early morning la-la-light
Only up to close the blinds, oh
I'm you don't change your mind
'Cause now just don't feel right
Let's do it one more time, oh babe
