

ANIMAL RIDDLES – WHERE DO ANIMALS LIVE?

1 Solve the riddles. Then listen and check – Resolver los acertijos - Leer la descripción del lugar donde vive cada animal y escribir el número al lado del lugar correspondiente. Luego escuchar el audio y chequear si las respuestas son correctas.

Listen and check – Escuchar y chequear:

1 The monkey lives in a hot rainy habitat, full of flowers and trees.

savanna ☐

ocean ☐

forest ☐

2 The condor lives near rocks and caves. This place is at high altitude, so it's cold.

4 The lion's habitat is hot in summer and very dry in winter. In this place there is yellow grass, but there aren't many trees.

3 The shark's habitat is wet and cold. There are plants and fish.

rainforest ☐

5 The squirrel lives in a place with many trees, trunks and leaves. Summers are hot and winters are cold here.

mountains ☐
