

READING COMPREHENSION.

Meet one of the characters of the film Descendants!!

Hello, kids! My name is Mal. I am sixteen years old and my birthday is on January 14th. I am from the United States of Auradon and I live in a small house. I am tall and thin and I have got long straight purple hair and big green eyes. My mum is Maleficent. I haven't got any brothers or sisters, but I have got lots of friends.

My best friend is Ben. I love Ben a lot!

Look! In this photograph I am wearing a purple and green jacket, purple trousers, and black boots.

This is Ben. He is happy because he lives in a beautiful castle with his parents. Ben loves sports. He can play tennis and golf, but he can't sing well. Today is his mother's birthday. There are a lot of people in the party. We are dancing and having fun.

Ben gets up at eight o'clock. He has breakfast with his family and goes to school by car. He is in second year. He eats lunch at school and he comes home at three o'clock. In the afternoon, we go for a walk and talk. Then, we go back to his castle and do our homework together. In the evening, he reads adventure books in the living room.
