3 Zebras live don't live in water.

4 Hippos live don't live on land and in water.

5 Whales live don't live in water.

IMPORTANT! El Presente Simple se usa para hablar de acciones que hacemos cotidianamente. En su forma positiva usamos el verbo deseado y solo agregamos **S/ES/IES** al final en determinados casos.

Ej: She likes fruit. They like fruit.

En su forma negativa usamos **DON'T** o **DOESN'T** antes de la acción deseada.

Ej: She doesn't like fruit. They don't like fruit.

4) Complete the sentences with **LIVE (Positive)** or **DON'T LIVE (Negative)**.

- Giraffes in water. They on land.
- Sharks in water. They on land.
- Crocodiles on land and in water.
- Monkeys on land.

5) Read about the different animal habitats and complete chart:

Types of habitats:

Animals live in strange places: in water, on land and in the air. They live in rivers, in trees, in grass and in rocks.

They can also live in very hot places.

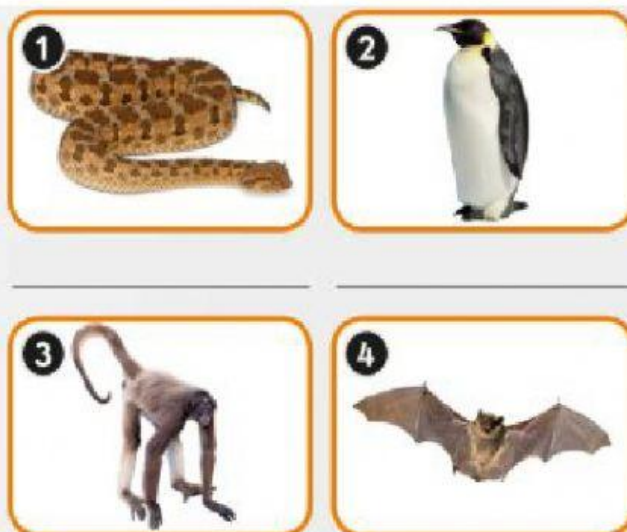

There are monkeys in the jungle.

There are snakes in the desert.

Other animals live in very cold places.

Bats live in cold, dark caves. Emperor penguins live on the ice in Antarctica.

Animals are amazing! They can live in all these difficult places.
