	T	F
1.- When Victor was found by his friend, Henry, he was shaking with fever.		
2.- Victor's little sister was killed.		
3.- Victor's family suspected that Elizabeth, her servant, killed the boy.		
4.- The innocent servant was found guilty and condemned to be hanged.		
5.-Victor looked for the monster and found it in the mountain top.		
6.-The monster claimed Victor didn't give him love or happiness.		
7.-People immediately welcomed the monster and invited him to stay in their homes.		
8.- The monster found a house where an old blind man lived with four young people.		
9.- The monster learnt how to speak by listening and watching to the young people of the house.		
10.- The family was scared and shouted at the monster. The monster put dry wood all around the young people's house and lit it because he was angry with them.
