

Let's revise the rule

Positive & Negative

- The **past continuous** tells about actions happening at a specific time in the past. It uses the form **was/were + verb -ing**.

Positive			Negative		
He	was	running fast.	He	wasn't	running fast.
They	were		They	weren't	

What was happening at four o'clock yesterday? Complete the sentences using was or were + verb-ing
