

Friday night dinner

Listen to the song and complete

I come [], but there's no [] for me.
I go to the [] and what do I see?
There's some [], but it's a bit cold
And look at that, it's also a week old!

All I want is a good []
I don't think it's a big deal.
What's there to []
What's there to eat?

I want to make some chicken []
But the chicken and [] don't look good.
I'd like to have a nice [].
Where's that phone? I think it's time to [].

All I want is a good meal.
I don't think it's a big deal.
What's there to eat?
What's there to eat?
