THAT´S ME

Hi everyone! My name is Joe, I´m 11 years old and I´m from Canada. My mum is Canadian but my dad is Scottish. I have short curly hair and big blue eyes. I live in a big house with a little garden at the front. I have an older brother and a baby sister. Brad is 18 years old and Molly is only nine months. She is so cute!

I´m in class 5ºA and my favourite subject at school is Science. I like animals. I´ve got a pet dog called Scruff. But what I really love is tennis and listening to music. Today I´m wearing a red t-shirt with a big white 75 number on it, blue jeans and white and red trainers. I´m also wearing a baseball cap.
