

Where the Streets Have No Name

By U2

First Order the boxes. Then fill in
the blank.

Where the streets have no name
Where the streets have no name
We're still building
Then burning down love
Burning down love
And when I go there
I go there with _____
It's all I can _____

The city's aflood
And our love turns to rust
We're beaten and blown by the

Trampled in dust
I'll show you a place
High on a desert _____
Where the streets have no name

I wanna _____
I want to _____
I wanna tear down the walls
That hold me inside
I wanna reach out
And touch the flame
Where the streets have no name
Ha...ha...ha...

Our love turns to rust
We're beaten and blown by the wind
Blown by the wind
Oh, and I see our love
See our love turn to _____
Oh, we're beaten and blown by the
wind
_____ by the wind
Oh, when I go there
I go there with you
It's all I can do
