

Believe

By Shawn Mendes

mistakes, you, true, shape, afraid, mountain, possible,
heart, fire, I believe in you, stars, ignite,

I believe, I believe, I believe, hey (x8)

Everest is only a _____.

A pyramid is just a _____.

Doesn't have to hold you back

Doesn't have to pin you down

Let your dreams take flight

And your _____ ignite

Did you know that it's _____?

Everything is possible

There's nothing we can't do

It's a wild and beautiful _____

And I believe in you

I believe, I believe, I believe, hey (x8)

Don't be _____ to be who you are

Just dream and shout out and follow the _____.

Forget about the past that it's over

We are the young ones our way is forward.

Who keeps tabs on stupid _____?

We all mess up but that's just the way

We learn how to get back up

We learn how to turn the page

So we will let our dreams take flight

And our hearts _____

Did you know that it's true?

Everything is _____

There's nothing we can't do

It's a wild and beautiful fire

And I believe in _____.

I believe, I believe, I believe, hey (x8)

Let your dreams take flight

And your heart ignite

Did you know that it's true?

That everything is possible

There's nothing we can't do

It's a wild and beautiful fire

And _____

I believe, I believe, I believe, hey (x8)

(I believe in you)
