

## A bad day...

This is the story of Tim's first trip in an airplane. He was very excited, but as he was going out of the house he dropped his ticket on the floor. He took a taxi to the airport but while he was paying the taxi driver someone took his bag. Luckily there was nothing important in the bag. He checked in, but while he was going through security, he found some keys in his pocket. Soon he was on the airplane. When it was taking off, he went for a walk around the plane! The flight attendant told him to sit down immediately! Then soon after this he noticed that everyone seemed unhappy so he started singing. Unfortunately, the other passengers were trying to sleep and they told him to be quiet. A few hours later, he made one more mistake: while the plane was landing he decided to use his mobile phone!
