Chorus

But, if the world was ending  
 You'd come over, right?  
 You'd come over and you'd stay the night  
 Would you love me for the hell of it?  
 All our fears would be irrelevant  
 If the world was ending  
 You'd come over, right  
 The sky'd be falling and I'd hold you tight  
 And there wouldn't be a reason why  
 We would even have to say goodbye  
 If the world was ending you'd come over right, right?  
 If the world was ending you'd come over right, right!
