It's not time to make a .....

Just relax, take it .....

You're still young, that's your .....

There's so much you have to know

Find a girl, ...

If you want you can .....

Look at me, I am old, but I'm happy

I was once like you are now, and I know that it's not easy

To be calm when you've found something going on

But take your ....., think a lot

Why, think of everything you've got

For you will still be here tomorrow, but your

dreams may not

How can I try to explain? 'Cause when I

It's always been the same, same old story

From the moment I could talk I was

Now there's a way and I know that I have to .....

I know I have to go

It's not time to make a .....

Just sit down, take it slowly

You're still young, that's your fault

There's so much you have to go through

Look at me, I am old, but I'm happy

All the times that I cried, keeping all the things I knew inside

It's hard, but it's harder to ..... it

If they were right, I'd agree, but it's them they know not me

Now there's a way and I know that I have to .....

I know I have to go

"Father and Son" is a popular song written and performed by English singer-songwriter Cat Stevens in 1970. The song frames a heartbreaking exchange between a father not understanding a son's desire to break away and shape a new life, and the son who cannot really explain himself but knows that it is time for him to seek his own destiny. The song has been covered many times since its original release.
