

For the Dot Diagram check the answer from the link in the study packet.

10. Lithium atomic number 3, atomic mass 7. Draw a Bohr Model.

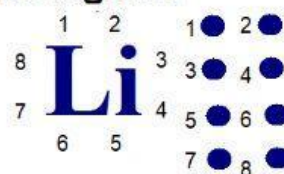

Protons _____

Neutrons _____

Electrons _____

Dot Diagram

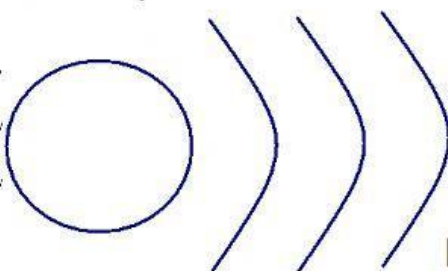

Family____ Period____

11. Nitrogen atomic number 7, atomic mass 14. Draw a Bohr Model.

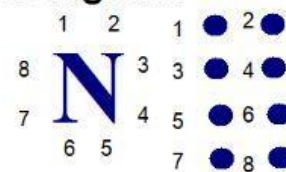

Protons _____

Neutrons _____

Electrons _____

Dot Diagram

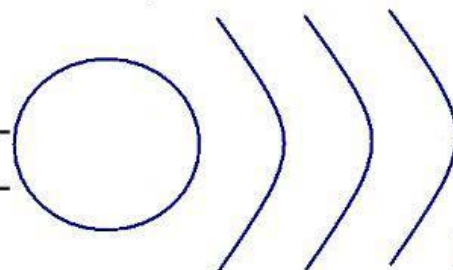

Family____ Period____

12. Neon atomic number 10, atomic mass 21. Draw a Bohr Model.

Protons _____

Neutrons _____

Electrons _____

Dot Diagram

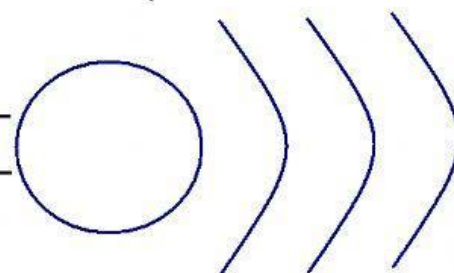

Family____ Period____

13. Phosphorus atomic number 15, atomic mass 30. Draw a Bohr Model.

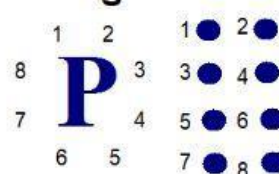

Protons _____

Neutrons _____

Electrons _____

Dot Diagram

Family____ Period____
