

## September 18, 2020 Math Problem of the Day

### Today is National Cheeseburger Day!

I am working at the Drive Thru window today.

Before I hand the bag to the customer, I need to check that there is the correct number of cheeseburgers. Look at the orders below and decide if the order is correct.

1. Someone ordered 5 cheeseburgers. Is the order correct?

**YES**

**NO**

2. Someone ordered 7 cheeseburgers. Is the order correct?

**YES**

**NO**

3. Someone ordered 9 cheeseburgers. Is the order correct?

**YES**

**NO**
