

Name: _____
Prime Factorization

Grade 5

Complete the following factor trees

1)

2)

3)

Work these out on paper and fill in the answers below

Prime Factors

$$_ \times _ \times _ \times _ = 16$$

Prime Factors

$$_ \times _ \times _ = 27$$

Prime Factors

$$_ \times _ \times _ = 12$$

(Least to greatest)

4)

5)

6)

Work these out on paper and fill in the answers below

Prime Factors

$$_ \times _ \times _ \times _ = 40$$

Prime Factors

$$_ \times _ \times _ = 70$$

Prime Factors

$$_ \times _ \times _ = 18$$

(Least to greatest)
