

## September 23 Math Problem of the Day

### National Innergize Day.

This is a day to relax after the Autumnal Equinox.

1. One way to relax is to read a book. I read 75 pages in my 100 page book. How many pages are left?

$$\begin{array}{r} 100 \\ - 75 \\ \hline \end{array}$$

175

25

50

2. Another way to relax is to watch television. Complete the pattern of television programs below.
