Hello! My name is Sam. I am not from Belarus. I am from America. I am a big boy — I'm seven. I am a pupil. I like to play computer games. I have got a mum, a dad, a granny, a grandad and a little sister. My sister isn't a pupil. She is one. She is funny. I love my family. We are happy.

And I have got an uncle. His name is Willy. He has got a puppy, Rex. Rex is black and grey. Rex can run and jump. Rex is nice and funny. I love my uncle and I like his puppy.
