Hello! My name is Vova. I am eight. I've got a big family. We are from Belarus, from Brest. It is nice and green.

I've got a father and a mother. My father is fine. His name is Nick. My mother is a teacher. Her name is Anna Ivanovna. She is a teacher of English. She likes her pupils and the pupils love her too.

My sister Lena isn't a pupil — she is three. She has got twelve dolls. Lena likes to play.

I have got an uncle. My uncle is a pilot. He has got a son, Alex. We are friends. We like to run, jump and play computer games.

I love my family very much (*очень*).

Bye. Vova.
