LILIAN'S HOME

Hi, my name is Lilian and I am from Constanza in the Dominican Republic. We are under lockdown here and schools are closed. we need to stop the spread of covid-19. today I want to show you my home.

Welcome to my home! I live here with my parents and my sisters.

This is the first floor of our house. This is the kitchen. there is a dining room next to the kitchen. There is always fruit on the dining table because we love it. There is a bathroom under the stairs to the second floor.

On the second floor, there are two bedrooms. The big one is my parents' bedroom and the small one is where my sisters and I sleep. There are pictures of my friends and me on the walls. Also, there are three beds and two nightstands.

My favorite part of the house is the backyard! We love to play football here. Here, there is a green garden with two apple trees. There is also a garage. My dad parks his car here and my cat sleeps under it every night.

I love my house because my family is here with me!
