

Can/can't/have to/don't have to

Alicia

I am an actress. I work in the evenings at the theatre, so I
to get up early. But I ... learn the text by heart,
because I ... make mistakes when we act on the
stage. Very often I ... work on Saturdays, so I
... go away at the weekend. I ... be slim,
so I ... eat fast food. I love my job because I ...
be many different people!

Peter

I am the boss of a big IT company. I ... get up very
early in the morning because I ... come late to work.
I ... be polite with all the people who work for me. I also
... wear a suit and a tie to work every day, because
I am the boss. I ... work at the weekend, so I ...
go to the zoo with my family.

Stephanie

I am a cook. I work for a school. I ... come to
work very early because I cook breakfast for children. I ...
wash my hands before I cook. I ... cook with dirty hands.

I have to wash the dishes, because we have a dishwasher. I wear a special uniform, I ... wear what I like to work. I am lucky, because I ... eat at work when I have a break!
