

CLASS: VII

TERM: I

SUB: MATHEMATICS

UNIT and 1: Integers

TOPIC: Subtraction of Integers

Name:

Objective: To find the difference of the Integers.

Fill in the blanks:

1. What is the difference between (-91) and (51) ?
2. What is the difference between (-91) and (-51) ?
3. What is the difference between (91) and (-51) ?
4. What is the difference between (91) and (51) ?
5. What is the difference between (129) and (144) ?
6. What is the difference between (169) and (132) ?
7. What is the difference between (-89) and (-94) ?
8. What is the difference between (28) and (104) ?
9. What is the difference between (408) and (408) ?
10. What is the difference between (609) and (2) ?
