

Student's name

Date: September, 29th

Book: Look 2

Units: 5 and 6

**Test 3**

1. Jessica is visiting her grandparents this weekend. She wants to tell us about them. Let's read and choose true or false. (9x2=18)

I am Jessica. They are my grandparents María and David. They are fantastic!

My grandma is a doctor. She helps people. She gets up at eight o'clock and goes to work. She works in a big hospital. She goes home in the evening.

My grandad is a taxi driver. He works in the afternoon. He drives a black and yellow taxi. It isn't red. People wave their hands and he stops for them. He drives to lots of places in town.

- a. Jessica's grandparents are Maria and Daniel.
- b. Maria is a dentist.
- c. She gets up at eight o'clock and goes to work.
- d. She works in a small hospital.
- e. David is a taxi driver.
- f. He works in the morning.
- g. David drives a black and red car.
- h. People wave their hands and he doesn't stop.
- i. He drives to lots of places.

2. She and her friends are talking about their families' jobs. Read what they say, drag the pictures to the correct sentences and write their jobs. (6x3=18)

Jessica: "My aunt teaches in a school". She is a
