

# LISTENING

Listen to the rest of the interview and write the information in the correct place.

Barbara

Gordon

Claudia

She played cards with Gordon.

He doesn't remember.

11:30

She was in love with Jeremy.

No.

About 11.

He played cards. He stayed in the living room and had a glass of whisky.

No motive – she loved him.

He wanted the business for himself.

She went to her room and had a bath.

She heard somebody go into Jeremy's room around 12. She thinks it was

Amanda.
