The Sleepover

Anthony had never spent the night away from home. His friend Brantley invited him to a sleepover. When he got to Brantley's house, the other boys were already there. Anthony had a great time playing video games, watching movies, and eating pizza, but then he began to feel sleepy.

As it got later, he thought about how nice it would be to sleep in his own bed. He tried not to think about it, but he couldn't stop. Finally, he called his mom and asked her to come and get him. When he got home and was in his own bed, he thought to himself, "I like to go visit my friends, but when it's time to go to bed, there's no place like home."
