The Life of the Roman Emperors

1. From this list of emperors, select the cruel ones
2. Choose the order in which they ruled from the drop down menu

Nerva **Claudius**

Tiberius **Augustus**

Nero **Caligula**

3. Match the beginning of the sentences with their ends

Praetorian guards	threw anyone he didn't like off a cliff
Nero	didn't pay attention to senators.
Tiberius	was insane and attacked the sea.
Augustus	protected emperors (sometimes)
Caligula	killed his wife and daughter.

4. Drag and drop the words to complete the text

poisonous - respect - expanded - disabled - stability - relative - organisation - senators - chosen

At last, a period of good emperors started. The first one was Vespasian, who brought _____ to the Roman Empire. Claudius was_____ but he was an excellent emperor, but his wife killed him by giving him _____ mushrooms. Then came Nerva and four others, who _____ the empire, helped with _____ and won the support of _____ by treating them with _____. Nerva also changed the rules of who continued on the throne: instead of being a _____ of the previous emperor, they were_____.
