

The Scientist

Coldplay

1. Get the missing lines

Come up to meet you, tell you I'm sorry

_____

I had to find you, tell you I need you

_____

Tell me your secrets and ask me your questions

_____

Running in circles, coming up tails

_____

2. Correct the mistakes in every line

CHORUS

Nobody said it is easy _____
It's such a disgrace for us to part _____
Nobody said it is easy _____
No one ever said it will be this hard _____
Oh, get me back to the start _____

3. Get the extra words in every line

I was just guessing at odd numbers and figures _____
Been pulling the puzzles apart _____
Questions of science, the science and progress _____
Do not speak as loud as my broken heart _____

Tell me that you love me, come back and haunt me _____
Oh, and I'll rush to the start _____
Running in circles, been chasing our tails _____
Coming back as we really are _____

Repeat Chorus

✓ LET'S DISCUSS

1) *What's the relation between the title of the song and its lyrics?*
2) *What does the lyricist mean in the Chorus?*
3) *Why do so many people seem to want to be "taken back to the start"? How does this attitude impact their lives?*
4) *Has/Does this situation ever happened/happen to you? Talk about it.*
