

For forty days and forty nights
The law was on her side
But who can stand when she's in demand
Her schemes and plans
'Cause we _____ on the floor in the round
So take my strong advice, just remember to always think twice
(Do think twice, do think twice)

She _____ my baby we'd danced 'til three, then she looked at me
Then showed a photo my baby cried his eyes _____ like mine (oh, no)
'Cause we danced on the floor in the round, baby

People always told me be careful of what you do
And don't go around breaking young girls' hearts
She _____ and stood right by me
Just the smell of sweet perfume
This happened much too soon
She called me to her room

Billie Jean is not my lover
She's just a girl who claims that I am the one
But the kid is not my son

Billie Jean is not my lover
She's just a girl who claims that I am the one
But the kid is not my son
She says I am the one, but the kid is not my son

She says I am the one, but the kid is not my son

Billie Jean is not my lover
She's just a girl who claims that I am the one
But the kid is not my son
She says I am the one, but the kid is not my son

She says I am the one
You know what you did, (she says he is my son) breaking my heart babe
She says I am the one

Billie Jean is not my lover, Billie Jean is not my lover, Billie Jean is not my
lover, Billie Jean is not my lover (don't Billie Jean), Billie Jean is not my lover,
Billie Jean is not my lover
