

Love Again

Dua Lipa

LOVE AGAIN

I never thought that I would find a way out
I never thought I'd hear my heartbeat so loud
I can't believe there's something left in my chest
anymore
But God damn, you got me in love again

I never thought that I would find a way out
I never thought I'd hear my heartbeat so loud

CHORUS 2: I can't believe, I can't believe
I finally found someone
I'll sink my teeth in disbelief
Because you're the one that I want
I can't believe, I can't believe
I'm not afraid anymore

I can't believe there's something left in my chest
anymore
But God damn, you got me in love again

I used to think that I was made out of stone
I used to spend so many nights on my own
I never knew I had it in me to dance anymore

So many nights my tears
Fell harder than rain
Scared I would take my broken heart to the grave
I'd rather die than have to live in a storm like
before

***CHORUS 1: But God damn, you got me in love
again
Show me, your heaven's right here baby
Touch me so I know I'm not crazy***

***Never have I ever met somebody like you
Used to be afraid of love
What am I to do?
But God damn, you got me in love again
You got me in love again X 3***
