X-Camp!

adrenaline vacations for teens

You're looking for adventure and excitement, and you love taking risks. Come to X-Camp!

Try rafting, climbing, mountain biking, scuba diving, and caving. You can even do a bungee jump – if you're brave enough! There isn't a boring moment at X-Camp.

“ We were wearing helmets with flashlights, and warm clothes. I was really scared before we started. We climbed down a hole into a small cave. It was cold and dry down there. Then we turned off our flashlights. I was very proud of myself. I'm usually afraid of the dark, but I loved it! – Sofia ”

“ I can't believe I went scuba diving! We went out in a boat and dived from there. I was in a group of four people. We were swimming towards the boat at the end of the lesson and guess what! We saw three sharks. They were swimming in front of us. I was afraid, but they just swam away. Awesome! – Max ”

“ I did a bungee jump on the last day of camp. My friends were surprised at me because I'm afraid of high places. It was cool, but I'm not going to do it again! – Robbie ”

“ Rafting was my favorite activity. Five other people were sitting in the raft with me. We all wore wetsuits and helmets. We rafted eight kilometers down the river. We fell into the water three times! It was really cold, but our wetsuits kept us warm. It was amazing! – Tom ”
