

PAST SIMPLE

Exercise 1

Complete the text with the verbs – grind, develop, be, find, be, roast, leave, spice, love – in Past Simple Tense. Put them in the right place.

The ancient peoples of Mexico and Central America _____ drink chocolate. But scientists believe that the beverage they produced in 1100 BC ... nothing like the modern one – it _____ probably a frothy, bitter liquid like today's beer. It was made from cacao seeds: the local people _____ and the seeds and _____ them to ferment. Then they _____ the drink with chilli peppers. Archeologists _____ elegant pots, cups and other pieces of pottery and _____ a theory that the pottery was probably used on ceremonial occasions to serve cacao beverages.

Exercise 2

Put the verbs in the correct column. Follow the sequence of both the verbs and the places of placement!
