DIY PROGRAM - REALITY SHOW - WILDLIFE PROGRAM

A television genre that presents food preparation.

A nature documentary or wildlife documentary is a program about animals, plants, or other non-human living creatures.

A television program genre structured around the act of spontaneous conversation.

News is information about current events.

DIY (Do It Yourself) shows are programs that cover the different activities that amateurs can perform at home by themselves. Examples of these activities include home construction and repair, gardening, etc.

A program that features animated characters.

A non-fictional, motion picture intended to document reality. The objective is mainly to instruct, educate, or maintain a historical record.

A program that documents supposedly unscripted real-life situations, often starring unknown individuals rather than professional actors.

Moving pictures that tell a story.

A television series dealing especially with domestic situations and frequently characterized by melodrama and sentimentality. The term originated from radio dramas being sponsored by soap manufacturers.

A genre of comedy that revolves around a fixed set of characters involved in amusing situations in each episode. Short for a situation comedy (situational comedy in the U.S.).

A television series is a tv fiction usually released in episodes that follow a narrative, and are usually divided into seasons
