Do you like to read blogs? Meet Ruby Karp. She is a positive person and offers great recommendations. She is only 10 years old. Let's look at her recent post: A Healthy Diet.

Can you believe it? Yesterday I ate eight slices of pizza! That is not a healthy diet: What is a healthy diet? Continue reading to discover what it is.

In less than a minute you can go to the kitchen and open a can of soup or prepare a fast snack. Is that healthy? A good option for a sound diet is to eat fruits and vegetables. Reduce the snacks that have flour (pasta, cookies or bread) and eat a piece of fruit: for instance, a pear or an apple when you want a pair of cookies. When you inevitably eat pizza, have a minute portion. Remember: never eat fast and never overeat!

Oh, it sounds funny! I used a lot of homographs and homophones in this post.

Do you know what a homograph is? Read my blog next week...

## John's First Guitar

John Lennon grew up in his aunt Mimi's house. \_\_\_\_\_ was close with her mother, Julia. \_\_\_\_\_ taught him how to play the banjo as \_\_\_\_\_ both shared a love for music. The first song that he learned how to play was "Ain't that a Shame from Fat Domino." For his birthday, her mother bought him his first guitar. \_\_\_\_\_ was a Gallotone Champion acoustic guitar. Aunt Mimi was not fond of music, so when \_\_\_\_\_ saw the guitar for the first time, she told young John: "The guitar's all very well, John, but you'll never make a living out of it." \_\_\_\_\_ went on to form one of the most influential bands in history. Less than ten years after getting his first guitar, The Beatles had their first record released. \_\_\_\_\_ went on to conquer the music world.
