

What ingredients do we need? Drag and drop:

We need:	
Self-rising flour	Milk
Sugar	Vanilla extract
Baking powder	Eggs

We don't need:	
Butter	Water

Match the pictures with the instructions:

PUT

ADD

POUR

BAKE

BEAT

MIX

Put the instructions in the correct order:

- In another bowl, mix the flour with the baking powder.
- Put the egg, sugar and vanilla extract in a bowl. Add the milk and mix.
- Add this to the mixture very slowly while you stir it.
- Bake the mini-cakes for 15 minutes.
- Beat the ingredients until they look like a white cream.
- Put the mixture in the moulds.
