Hello - Adele - Intermediate

, it's me	
I was wondering if after all these years you'd	to meet
To over everything	
They say that time's to heal ya	
They say that time's to heal ya But I ain't much healing	
Hello, can you me? I'm in California dreaming about who we	to be
When we vounger and free	10 00
When we younger and free how it felt before the world fell at or	ar feet
There's such a between us	
And a million	
[Chorus I]	
from the other side	
I must've a thousand times	
To you I'm sorry	
To you I'm sorry For everything that But when I you never	
But when I you never	
Seem to be	
[Chorus II]	
from the outside	
At least I can say that	
To tell you I'm	
For your heart	
But it matter, it clearly	
Doesn't tear you apart	
Hello, howyou?	
It's so typical of me to about myself, I'm	sorry
I hope that well	
you ever make it out of that town Where nothing ever ?	
It's no	
That the both of us	
Are out of time	
[Chorus I]	
[Chorus II]	
Ooooohh, anymore	
Ooooohh, anymore	
Ooooohh, anymore	
Anymore Anymore	
Anymore	
[Chorus I]	
[Chorus II]
