READING. Read and complete the chart.

Do Animals Need Exercise?

Do animals get enough exercise? Wild animals run, walk, swim, and climb all day. Sometimes wild elephants walk more than 45 kilometers (27 miles) a day!

Sometimes animals in zoos don't get enough exercise. They live in small spaces. Many zookeepers help animals get exercise. They help elephants walk and run. They teach big cats, like lions and tigers, to climb and jump.

Sometimes pets, like dogs, cats, and birds, don't get enough exercise. It's important for pets to run, play, and move. Exercise helps keep all animals fit and healthy.

An elephant's trunk can pick up one piece of
