
I am Jack. I am a student at high school. I have a good friend. His name is Mike. Mike loves playing football after lunch.

Mike has a best friend. Her name is Alice. Alice is fifteen years old. Mike and Alice are in the same class.

Mike and Alice are really good friends. They have many things in common. Mike and I are also good friends. We always have fun. I love Mike's cat Pati. Pati is very cute. Mike and I always play with her.
