US elections 2020: First TV debate Trump/Biden

Role playing the TV debate: (slightly adapted with the words in italics)

DT: Don't ever use the word 'smart' with me, don't ever use that word.

JB: Oh, give me a break!

DT: Because you know what? There's nothing smart about you Joe.

DT: The Supreme Court Justice, the radical left...

JB: Will you shut up, man!

DT: You were a Senator.

JB: You're the worst president America has ever had, come on. I'm not here to call out* *your* lies; everybody knows *you're* a liar.

DT: People know what to do. They can social distance, they can wash their hands, they can wear masks; They can do whatever they want but they got to open these states up.

JB: *Your* own CDC* director says we could lose as many as another 200,000 people between now and the end of the year and he said « If we just wear a mask we can save half those numbers ».

DT: Should've never happened from China, but what happened is we closed it down and now w're reopening, and we're doing record business.

JB: You can't fix the economy until you fix the Covid crisis.

DT: We have a phenomenal nominee, respected by all, top, top academic, good in every way. Good in every way.

JB: Just not appropriate to do this before this election. If *you* win this election and the Senate is Republican or Democrat, then *you* go forward. If not, we should wait until February.

Anchorman: Are you willing to tell the American people tonight whether or not you will support either ending filibuster* or packing the court*?

JB: Whatever position I take in in that, that'll become the issue. The issue is the American people should speak.

Anchorman: Is it true that you paid \$750 in federal income taxes each of those two years?

DT: I paid millions of dollars in taxes, millions of dollars of income tax. I paid \$27 million one year.

Anchorman: In 2017?

DT: Millions of dollars.

Anchorman: You paid millions of dollars?

DT: Millions of dollars, yes, and you'll get to see it.

JB: This man is a savior of African Americans? This man cares at all? This man's done virtually nothing. This is not 1950. All these dog whistles and racism don't work anymore.

DT: The Crime Bill ,1994, where you called them « superpredators », African Americans, and they've never forgotten it. Are you in favor of law and order?

JB: Law and order with justice where people get treated fairly. I'm totally opposed to defending the police officers.

* CDC: Centers for Disease control and prevention.

* to call out: to criticize

* to filibuster: faire de l'obstruction parlementaire, bloquer, retarder.

* court-packing: expanding the court, adding more judges.
