3– Drag the extracts to the correct box to complete the paragraphs

them there are a lot of men and machines.

"Oh no, they're making a new road!" says Aca.

"But... where's my home?" asks Felix. "And where's my family?"

The two birds fly over the new road. Then they stop in a tree near the village. Felix is tired and sad. "I'm sorry," says Aca. Then Felix sees a small blue and yellow feather in the air. He looks up. There, above the trees, are four

Felix flies from Peru to Rio. There he sees a lot of people in the street. He can hear music and see some birds in a tree. Is one of them Aca?

"Aca! Aca!" he says. "Yes, that's me," answers one of

you tell me how to get there?"

"I have a friend – Aca – in Rio," says the bird. "He knows the jungle. Go there and ask him."

"Hello, you're not from Peru, are you?" says the bird. Felix tells his story.

"Two years in a cage in New York?!" says the bird.

"Yes," answers Felix, "but now I'm going home. Can

the birds. Felix cannot see him.

Then a boy sees Felix. "Look at the bird," he says to his father. "Can I have him? Can I? Please?"

Felix and Aca fly from Rio to the jungle. In the evening Felix says, "Yes, I remember that village. My home's very near here. It's only..." Then he stops. In front of

birds. "It's them, Aca!" he says. "It's my family!"

Then he flies into the sky. The birds see him. "Felix, is it you?" they ask. "Yes," answers Felix. "I'm home !!!"
