

1. Read and match. Прочитай и соедини.

|     |     |     |     |
|-----|-----|-----|-----|
| pet | net | ten | pen |
|-----|-----|-----|-----|

2. Put the letters in the correct order.

Поставь буквы в правильном порядке.

|       |                                                                                    |                                                                                     |                                                                                      |
|-------|------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|
| 10    |  |  |  |
|       |                                                                                    |                                                                                     |                                                                                      |
| N T E | E N P                                                                              | T P E                                                                               | N T E                                                                                |

3. Listen and match the colours. Послушай и соедини цвета.

|        |                                                                                     |                                                                                     |                                                                                      |       |
