Well, truth or dare? Choose wisely!

1) **Truth** : Did you study the quizlet?

a) Yes, I did! Ask me anything!

b) No, I didn't because.....( write whatever you want as long as you keep it civilized, please! ) . However, I dare to move on with the following tasks!

2) **Dare** : Let the games begin!

**Round 1:** Which words go where?

devices, surgery, function, identical, invention, significant, impact, manufacture

Various advances on technology such as the \_\_\_\_\_ of the Internet, have created a \_\_\_\_\_ on our lives.

"What's the main \_\_\_\_\_ of these \_\_\_\_\_?" "Well, they are produced by the same \_\_\_\_\_ and their purpose is to sterilize the dentist's tools before a tooth \_\_\_\_\_."

**Round 2:** Ok, so that was easy! Now, choose at least 5 words from the list below and make some magic! Your magic can include a dialogue or some free-style sentences! You can use more than 1 word in a sentence.

perform, come up with, instead of, emergency, rights, modify, patients, invent, fireproof, identical, patent, function, ancestor.
