

Hello! My name is Sara.

In the morning, I **get up** early and I **have breakfast**.

Then, I **brush my teeth** and **comb my hair**. I **go to school** with my father.

At school, I **wash my hands** because of coronavirus. Some days, I **study English** with Sara. At break time, I **play with friends**.

In the afternoon, I **do my homework**.

In the evening, I **take a shower** and I **watch TV** with my family.
