

### **Waste your Food (Shape of You parody)**

The club isn't the best place to save the planet,  
so the \_\_\_\_\_ where I go  
Me and my friends at the table talking **stats**  
about \_\_\_\_\_ waste in the world

I saw my dream \_\_\_\_\_ at the bar  
throw half of her meal out,  
and **my jaw** \_\_\_\_\_ the floor  
She's perfect in every way,  
but if she wastes,  
it's a \_\_\_\_\_ for sure

Now I'm singing like  
Girl, did you know how much  
food in the world gets wasted? \_\_\_\_\_ Billion tons of food from stores, restaurants,  
homes, and companies?  
boy, boy, you talk too much  
1 in 9 people on on earth \_\_\_\_\_ hungry  
You \_\_\_\_\_ take a **doggy bag** please  
You should take a **doggy bag** please  
Mm mm mm!

I don't love when you waste your food  
We make way more than we \_\_\_\_\_  
Starving kids don't get to choose  
When they go to bed hungry

At the grocery in aisle two  
I always buy all the \_\_\_\_\_ fruit  
Cuz you know that it still \_\_\_\_\_ like it's brand new  
And it's good for your country

Oh I oh I oh I oh I  
I don't love when you waste your food  
Oh I oh I oh I oh I  
I don't love when you waste your food

One week in, we let the story begin,  
follow you home for our first \_\_\_\_\_  
I've made you a flow chart  
about how you can get \_\_\_\_\_  
about your personal food waste

I talk for hours and hours  
about how you \_\_\_\_\_ the power  
to ignore some **expiration dates**  
And if your \_\_\_\_\_ is too cold,  
then food can grow old  
a little faster than you'd like

And i'm singing like  
Girl, did you know how much  
Food thrown away by restaurants is **landfill** bound?  
Hurts the \_\_\_\_\_, now.  
Why'd you throw half of your burger out?

Boy, boy, you talk too much  
1 in 9 people on on earth go hungry  
I think you gotta leave  
I think you gotta leave

Mm mm mm!  
I don't love when you waste your food  
We make way more than we consume  
Starving kids don't get to choose  
When they go to bed hungry

Why don't we call up the \_\_\_\_\_  
**Petition** them for new policies too  
One in four \_\_\_\_\_ don't get consumed  
And no one should go hungry
